Re: Post-Pre-Application Meeting NOFA Question and Answer Recap #9

.....

**1. Can earned reinvestment funds be considered as cash match for the NOFA?**

No - Children's Cabinet Funds (which include earned reinvestment) cannot be considered as a cash match. See slide 20 from the PowerPoint used at the Pre-Application Meeting on 2/12/16.

**2. The instructions ask us to identify performance measures for each proposed activity. Do we also need to include targets for each measure?**

No - targets are not required for the proposal. They are no longer necessary since they are not entered in to the Results Scorecard™ - only actuals.

**3. I cannot locate a box large enough to mail the hard copies. May we send the submission in 2 boxes?**

Yes.

**4. Regarding the electronic submission of the application (page 6 of NOFA), shall we submit the entire document, including appendices, electronically in Word format? Or can we submit just the narrative in Word, with the appendices in a separate PDF file?**

One file is preferred; however a second compiled file of documents in PDF format may be submitted if these cannot be incorporated in to the main document.
